LANGUAGE ADVOCACY DAY

AGENDA

LAD 21 SUPPORTERS:

Language news, policy analysis, advocacy alerts. Members driven. We speak language policy to power.

From refugee settlement to counseling, The 519 serves the people of Toronto by supporting happy, fulfilling LGBTQ2S lives.

New Canadian Media provides nonpartisan news and views representing all Canadian immigrant communities. The views expressed on this site are those of the individual writers and commentators, and not necessarily those of New Canadian Media.

Our Toronto-based immigration lawyers believe that migration is a fundamental freedom and that immigration barriers to Canada should exist only when necessary. Canadian diversity is our strength, and immigrants are welcomed to Canada. Our firm based in Toronto, Canada can give you practical legal advice that will help you meet your immigration goals, whether it is visiting, studying or moving permanently to Canada with your family.

Ethnicity Matters: A team of cultural marketing experts bringing brands to new Canadian buyers.

The Knowledge Equity Lab is an inclusive, trans-disciplinary, experimental space. Based at the Centre for Critical Development Studies at UTSC, it is an incubator for a community of practitioners advancing knowledge equity, centering marginalised and under-represented knowledge-makers as a means of social justice and change.

The National Film Board of Canada is Canada's public film and digital media producer and distributor. An agency of the Government of Canada, the NFB produces and distributes documentary films, animation, web documentaries, and alternative dramas.

MCC Toronto is the only LGBTQ+ exclusive Sponsorship Agreement Holder (SAH) for refugees in all of Canada. Through our work with sponsorship teams, we have privately sponsored over 55 LGBTQ+ refugees to Canada and have provided services and programming to over 3,500 LGBTQ+ refugee claimants since 2007.
